Fit when it comes to clothes. They go on
the old adage that "fine feathers make fine

reason that most men drive their tailor al-

FIT

There are several kinds of fits, however,
some are hereditary, some are brought on
by heat, over-exertion, etc., but the fit that
is brought about by us is not affected by the
heat or cold, but is nevertheless heredi-
tary with us.

Hood's Saved Their Lives

Poisoned by Impure Water
Now in Good Health, Lively, Happy

Eva, Carroll and Lily Brown
Stowe, Vermont.

"C. I. Hood & Co., Lowell, Mass.:
"Gentlemen:—Last winter, my two girls, boy
and wife were taken ill. The doctors said they
were poisoned by drinking water from an old
well. The two girls failed to rally under the
doctor's treatment. Eva, aged four years, fell
away so she only weighed 16½ lbs.; coughed
all the time and was helpless. Physicians said
she had Consumption.

Lily, aged eight years, was nearly as bad as
Eva but being older and stronger, held up a lit-
tle better. We gave them both Hood's Sarsa-
parilla, which built up their strength and health
finely so that they became fat and plump, lively
and happy. My son Carroll was in a bad con-
dition, having a bad cough and very weak. He
was obliged to lie down most of the time. One
bottle of Hood's Sarsaparilla put him on his
feet and restored perfect health. I believe
Hood's Sarsaparilla saved my children's lives."

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,
Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all
up, I WAS PERFECTLY WRETCHED. But thanks to Paine's Celery Compound I can now eat and sleep and work just as
well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158
pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are
very much pleased with it. I am now taking my fifth bottle, and would RECOMMEND IT TO ALL WHO ARE SUFFERING
WITH STOMACH TROUBLE OR NERVOUS TROUBLE.
